

**PROGRAM:** NMCC Venture Capital Fund **Via Partner Organization**

**AGENCY:** New Mexico Community Capital

**DESCRIPTION:** New Mexico Community Capital’s mission is “to improve the lives of New Mexicans, particularly those in rural and economically under-served areas, by investing in New Mexican businesses, helping those companies prosper, and contribute to their communities.”

**STRUCTURE:**

- The average investment of NMCC is \$250K to \$500K targeted at businesses with sales of at least \$500K, with a positive cash flow and sales growth, experienced management, and at least 5 FT employees.
- 40% of investment is targeted outside the Rio Grande corridor.
- NMCC looks for underserved businesses and communities with businesses in manufacturing, service, consumer products, food processing, artisan and tourism, and sustainable energy.

**QUALIFICATIONS/CRITERIA:**
