

**AGENCY:** International Trade Administration (Federal)

**DESCRIPTION:** Under a cooperative agreement between the district office of the International Trade Administration and the Trade Division of the New Mexico Economic Development Department (EDD), exporters and importers may receive timely assistance with most routine trade issues, as well as assistance with other subjects requiring more in-depth research.

**ELIGIBLE USES:**

- The U.S. Department of Commerce and Foreign Commercial Service branch offices in Albuquerque and Santa Fe provide information about export processes and U.S. export regulations, limited trade counseling, access to services for exporters, and foreign buyer and market information.
- Technical assistance on export markets is available from a large office library and from U.S. consular offices worldwide.
