Entrepreneurship is one of the most undersold resource we have as a nation.

Know These Companies?

A man with short dark hair, wearing a dark navy blue suit jacket, a light blue dress shirt, and a green patterned tie, is speaking at a podium. He has his right hand raised to his chest level, palm facing forward. A microphone is visible in the lower right foreground. The background is a plain, light-colored wall.

How About This Guy?

A man with short brown hair and a black turtleneck sweater stands in the center of a blue, tunnel-like structure. His arms are raised, touching the top of the structure. The structure is composed of several large, curved panels that create a sense of depth and perspective. The lighting is bright and even, highlighting the man's face and the texture of the blue panels.

We were always smart enough,
to be naïve enough,
to not know what we couldn't accomplish.
