• There are two forms to fill out:
  • An excel form and a form that is filled out online via Salesforce.
  • You should receive an automatic message from Salesforce about the questionnaire.
  • You should fill out the excel form first and upload it to Salesforce.
  • Then fill out the questionnaire.
  • Please send me an email from your MainStreet org email; so we can verify your information has been updated. Lucas.Pedraza@State.nm.us

• Some basic guidelines:
  • Only report on activity within your MainStreet district boundary.
  • Create a system of tracking board and volunteer hours spent in meetings or working on projects.
  • Make a routine of walking or driving around your district to spot activity happening.
