

Welcome to Day 2

Winter Conference 2022

Presented by

Lucas Pedraza

NEW MEXICO
MAINSTREET[™]

Capital Outlay

- We have enough funding to start clearing our backlog.
- This means this is the time to start working on new projects for our pipeline!
- Let's talk about how to make sure YOUR community can benefit from new infrastructure projects.

Public Infrastructure Projects

- Streets: storm sewer/drainage projects; water, electric and sewer utilities; broadband; pedestrian night lighting
- Pedestrian Safety: sidewalks; curb extensions; road diets; pedestrian crossings and medians; traffic calming; traffic parking configuration, context sensitive solution projects and complete streets projects
- Street amenities: wayfinding systems, benches; trash receptacles; trees; and landscape buffers
- Placemaking: Town Centers, Town Squares and Plazas, Public and Farmers Markets, Outdoor performance spaces, and amphitheaters, that can be demonstrated to directly support economic growth, property renovation, business development and job creation within the district
- Great Blocks on MainStreet/Other Infrastructure Projects: with completed construction documents

From Conceptual Design to Construction to Reinvestment

- **Phase 1 - Planning and Construction Ready Documents**
 - Work with NMMS and local partners to develop your projects!
- **Phase 2 - Public Infrastructure: Streets, Sidewalks Lighting, Wayfinding**
- **Phase 3 - Private Reinvestment: Building Rehabs, Business Development**

Reinvestment

- Work with your local and regional economic development partners and organizations.
- Look for opportunities to generate entrepreneurial supports and resources in your community.
 - Quarterly reports.
