In 2021 Tucumcari Main Street took over operation of the Tucumcari Railroad Museum that is housed in a 1920’s era railroad depot (where the Main Street office is also located). Volunteers and staff run the museum which is open to the public Tuesday through Saturday. The museum has been open under the auspices of Tucumcari Main Street for one year and has quadrupled both attendance numbers and income during that time.

This coming year the Railroad Committee has plans to expand an exhibit on the significance the town of Dawson, NM played with coal being shipped to Tucumcari in the early days of the 21st century. The museum will also be expanding its inventory of items for attendees to purchase as a keepsake of their visit in the small gift shop.

“(Tucumcari) Main Street has done a remarkable job in bringing life back into one of the most unique and beautiful buildings in Tucumcari, the Tucumcari Train Depot. It is returning to being a center of activity for the community.”

— Frank Turner, Founding Board Member of the Tucumcari Railroad Museum
Tucumcari Forge

Tucumcari Forge is a tiered business accelerator program designed to position very early stage businesses or individuals interested in starting a business to benefit from the MainStreet Microloan program. The program invites participants to network with area resource partners, receive technical assistance as well as refine their business offerings, identify customer market and start their business. To date, eight individuals have completed the program with four individuals opening their businesses!

Great Blocks on MainStreet

The Great Blocks on MainStreet project is part of an effort to revitalize the historic downtown district. The plan calls for many cosmetic improvements in the project areas along Second Street and Main Street, including trees and landscaping, pedestrian level lighting as well as new sidewalks, benches, bike racks and public art to encourage walking, socializing, shopping and gathering in the downtown area.

The Great Blocks on MainStreet project was recently awarded $400,000 by New Mexico MainStreet for completion of Phase 1 of the project.

LOOKING AHEAD

In the coming year, we look forward to continuing the operations of the Tucumcari Railroad Museum, Tucumcari Talking Tour and events such Fired Up, Down At The Depot, Very Merry Tucumcari that work to bring people downtown! We are in the process of completing the property assessment and mixed use zoning overlay to present to the City of Tucumcari for review and approval. High on our priority list is the continuation of the Forge Business Accelerator Program. We have also begun looking into the design and implementation of wayfinding signage for the community.
